## **Office of the Speaker**

**Dean Cannon**  
**Speaker**

### **MEMORANDUM**

**TO:** Members, Florida House of Representatives

**FROM:** Dean Cannon, Speaker

**DATE:** April 13, 2011

**RE:** Schedule for the Remainder of the 2011 Session

House subcommittees have completed their work for the 2011 Session. Full committees should complete most of their work next week.

The House will conduct business throughout Week 7 of Session. Pursuant to the published schedules, Members should plan to be in Tallahassee on Wednesday, April 20, and Thursday, April 21. The House will maximize the time available during Week 7, and Members should be prepared for full work schedules on both days.

We look forward to working with our partners in the Senate when they return from their Passover/Easter recess. I am optimistic that the conference process will produce a responsible, balanced budget that will address Florida's critical needs.

For purposes of managing your schedules and the expectations of your families, I would advise Members not to make plans or firm commitments for the period of time immediately following the scheduled end of Session.
